

Dear Parents,

Skoolbo – Go! Aussie Kids Go! is a great new site to help children with reading and maths. Children are immersed in an incredible learning world and become highly motivated by the inbuilt rewards mechanisms designed to encourage healthy use and maximise learning.

Your child has been provided with an account that grants full free use of the program both at home and school. As a parent you will also be able to view your child’s results via the **Parent Dashboard** (*coming soon*) and, if you wish, you will be able to purchase additional reports for \$6.95. These additional reports are optional and your child has full functionality of the program whether you choose to buy the reports or not. There is no advertising on Skoolbo and there are no in-app purchases. Children are not able to communicate on Skoolbo and there is no possibility of unsafe interactions.

How to get going at home:

1. Visit www.skoolbo.com.au/downloads and download the software. *Skoolbo* is available for tablets (iPads and Androids), computers (PCs and Macs) and through your Internet browser.
2. Open the software and select **HOME** use.
3. Insert you child’s username _____ . The password (always a colour and an animal) is by default the colour BLACK and the animal BEE, although your child might have changed this at school.

Tips for Maximum Benefit

- Encourage your child to use *Skoolbo* four to five times per week for around 20-30 mins each time (this should be about ten games after which your child is rewarded with a **Lucky Prize**).
- Don’t let other children (or adults) play on your child’s account. *Skoolbo* uses a smart algorithm that determines the most appropriate learning activities specifically for your child based on his or her recent performance. Other users could affect the level of activity presented to your child.
- Celebrate your child’s successes. Examples include the 1,000 Correct Answers milestone and other improvement awards.
- Refer to the **Parent Guide** available at the **Downloads** tab on the web site for additional tips and instructions.

Please don’t hesitate to contact us at info@skoolbo.com.au or call us on 02 6112 8508.

Best wishes,

The *Skoolbo* Team
